Acetaminophen Oral Suspension

Type of Posting: Notice of Intent to Revise
Posting Date: 29–Jun–2018
Targeted Official Date: 01–Aug–2018, Revision Bulletin-Postponement
Expert Committee: Chemical Medicines Monographs 6

In accordance with section 7.04 (c) of the 2015–2020 Rules and Procedures of the Council of Experts, this is to provide notice that the Chemical Medicines Monographs 6 Expert Committee intends to revise the Acetaminophen Oral Suspension monograph.

An appeal was received regarding the *Assay* and *Organic Impurities* sections of the Acetaminophen Oral Suspension monograph which was published in the *First Supplement* to *USP 41–NF 36* and is scheduled to become official on August 1, 2018. The Expert Committee intends to postpone the official date of the *Assay* and *Organic Impurities* sections of the Acetaminophen Oral Suspension monograph pending resolution of the appeal.

It is anticipated that the postponement will be published as a Revision Bulletin on July 27, 2018 and become official on August 1, 2018.

Should you have any questions, please contact Clydewyn M. Anthony, Senior Scientific Liaison to the Chemical Medicines Monographs 6 Expert Committee (301–816–8139 or cma@usp.org).
