
[Compendial Notices](#)

USP–NF Compendial Notices are designed to inform stakeholders of the changing status of *USP–NF* monographs and general chapters and other *USP–NF* standards-setting initiatives. Compendial Notices include General Announcements, Notices of Intent to Revise, and Publications Corrections.

Notices are generally posted at the end of the month, but can be posted at any time depending upon the urgency of the notice. USP posts Compendial Notices related to specific standards by general chapter (numerical order), then by monograph name (alphabetical order). The "New Notices" section includes the most recently posted Compendial Notices in chronological order.
