Metronidazole Gel

Type of Posting: Notice of Intent to Revise (Removal)
Posting Date: Updated 25?Aug?2017[1]
Targeted Official Date: N/A
Expert Committee: Chemical Medicines Monographs 1

Based on information received from the manufacturer who had sponsored the proposal utilizing the Pending Monograph Process, the Expert Committee NO LONGER intends to revise the pH limit in the monograph.

Should you have any questions, please contact USP at pendingrevisions@usp.org.

1This Notice was revised to remove content posted on May 26, 2017 related to a proposed Pending monograph and the proposed monograph itself following retraction of the proposed revision.
