

Promethazine Hydrochloride Oral Solution

Type of Posting	Revision Bulletin
Posting Date	27–Jan–2017
Official Date	01–Feb–2017
Expert Committee	Chemical Medicines Monographs 5
Reason for Revision	Compliance

In accordance with the Rules and Procedures of the 2015-2020 Council of Experts, the Chemical Medicines Monographs 5 Expert Committee has revised the Promethazine Hydrochloride Oral Solution monograph. The purpose for the revision is to widen the limit of promethazine sulfoxide based on FDA approval.

Additionally, minor editorial changes have been made to update the monograph to current *USP* style.

The Promethazine Hydrochloride Oral Solution Revision Bulletin supersedes the currently official Promethazine Hydrochloride Oral Solution monograph. The Revision Bulletin will be incorporated into the *Second Supplement of USP 40–NF 35*.

Should you have any questions, please contact Ren-Hwa Yeh, Ph.D., Senior Scientific Liaison, (301–998–6818 or rhy@usp.org).
