

Addition of UNII Codes in USP 40–NF 35 Online

Type of Posting: General Announcement

Posting Date: 28–Oct–2016

This is a general announcement to alert users to the addition of UNII codes into the *USP 40–NF 35* online product. UNII codes will appear in monographs which contain CAS information, displaying at the end of the chemical information section. Not every monograph will contain a UNII code, and some monographs may contain multiple UNII codes.
