

## [Update to Style for Latin Binomials in USP 40–NF 35](#)

**Type of Posting:** General Announcement

**Posting Date:** 28–Oct–2016

For purposes of uniformity, starting with *USP 40–NF 35* print and online editions, the style for Latin Binomials has been updated. This style change does not affect the content. A list of files affected by the restyled Latin Binomials can be found [here](#).
