
[General Chapter <1121> Stimuli Article and Proposed Revisions](#)

Type of Posting: General Announcement

Posting Date: 29–Dec–2011

USP–NF users should note that the [USP Stimuli article](#) and the [proposed revisions](#) to General Chapter <1121> Nomenclature that appear in Pharmacopeial Forum (PF) 38(1) January/February 2012 are posted on the USP website. The Stimuli article addresses the proposed revisions to this General Chapter including: the below 1000 designation to General Chapter <8> Nomenclature; the Monograph Naming Policy; clarification on how the USP Drug substance and formulation monographs are established by the Nomenclature, Safety, and Labeling Expert Committee; and other important aspects of monograph naming. USP will accept comments on the proposed revisions to General Chapter <1121> Nomenclature until March 31, 2012.
