***This Notice of Intent to Revise was withdrawn and superseded by a [new Intent to Revise](#) on June 26, 2015.**

In accordance with the Rules and Procedures of the 2010-2015 Council of Experts, USP intends to revise by Errata, multiple monographs and general chapters that were published in the Second Supplement to *USP 38–NF 33*. The purpose for these Errata entries will be to reinstate references to General Chapter <231> Heavy Metals and specify that General Chapter <231> will remain in effect until January 1, 2018. For some of these monographs or general chapters, additional errata associated with the corrected implementation date may be needed. A list of the monographs and general chapters published in the Second Supplement to *USP 38–NF 33* that are expected to require Errata can be found [here](#).

It is anticipated that these Errata will be published on September 25, 2015 and become official on October 1, 2015, pursuant to section 7.02 of the Rules and Procedures.
