

Loratadine Oral Solution

Type of Posting: Revision Bulletin

Posting Date: 29-Apr-2011

Official Date: 01-May-2011

Expert Committee: Monographs—Small Molecules 4

Reason for Revision: Compliance

In accordance with the Rules and Procedures of the 2010–2015 Council of Experts, the Monographs—Small Molecules 4 Expert Committee has revised the Loratadine Oral Solution monograph. The purpose for the revision is to widen the pH range from "2.5–3.1" to "2.2–3.1", to accommodate the sponsor's FDA-approved acceptance criteria.

The Loratadine Oral Solution Revision Bulletin supersedes the currently official monograph. The Revision Bulletin will be incorporated in *USP 35–NF 30*.

Should you have any questions, please contact Mary Waddell (301-816-8124 or msw@usp.org).
