

## Changes to Posting Schedule for Revision Bulletins and Errata

**Type of Posting:** General Announcements

**Posting Date:** 29-Sep-2017

In an effort to minimize delays in updating USP–NF content, USP will begin posting [Revision Bulletins](#) on a monthly basis on October 27, 2017. [Errata](#) will also begin to be posted on a monthly basis on December 28, 2017. The current practice is that Revision Bulletins and Errata are posted on a bi-monthly basis, except for urgent revisions requiring off-schedule posting.

This change will not affect the posting schedule for Interim Revision Announcements which will continue to be posted on a bi-monthly basis. Below is an updated schedule for the posting of future Revision Bulletins and Errata.
