The PF Online transitioned to a new online platform, starting with *PF45(1)*.

▶ [Access the New PF Online](#)

As a result, you will experience the same benefits of the new [USP-NF Online](#) including:

- Customized dashboard
- Improved search with real-time filtering
- Optimized navigation
- Personalized bookmarks
- E-mail alerts

The new PF Online will contain that same content you need, such as Stimuli Articles, In-Process Revisions, and Proposed Interim Revision Announcements.
