USP–NF Online: Official Status Correction to Talc, Chlorhexidine Gluconate Oral Rinse, and Powdered Echinacea purpurea

Type of Posting: Publication Correction
Posting Date: 15-Nov-2019

USP recently discovered that for the following monographs, duplicated versions were displayed with both “Currently Official” and “Older Version” statuses. No revisions or changes associated with the *USP* 43–*NF* 38 publication title or official date had been made to these monographs.

The monographs and their listed DocIDs have been reinstated in the USP-NF Online platform and now appear correctly with an official status of “Currently Official”.
