

June 2016 and April 2016 USP–NF Errata Postings

Type of Posting: Publication Correction

Posting Date: 10–Jun–2016

Due to a technical error, the errata to *USP–NF* scheduled to post on May 27, 2016 were instead posted on May 31, 2016. All errata official on June 1, 2016 can currently be found in the errata table at <http://www.usp.org/usp-nf/official-text/errata-table>.

It was also noted that the introduction to the *Reagents* section is missing the Errata icon in the *First* and *Second Supplement* to *USP 39–NF 34* online. The errata itself will appear corrected in the file in *USP 40–NF 35*. To access the errata for the introduction to the *Reagents* section visit the *USP–NF Errata* table at http://www.usp.org/usp-nf/official-text/errata-table?mono_num=6948.

Additionally, ten errata from the April 2016 *USP–NF Errata* table were found to be missing from the *Errata* table after May 31, 2016. The errata have now been restored and the complete April posting can be found at <http://www.usp.org/usp-nf/official-text/errata-table>.

USP apologizes for any inconvenience this may have caused.
