

Accelerated Revisions by Official Date

Revision Bulletins are posted by the first of each month. Each Revision Bulletin includes the reason for the change and the complete Monograph or General Chapter Revision Bulletins are transferred to the [Accelerated Revision History](#) section when the standard is published and becomes official in the next *USP–NF* book or Supplement. For more information on the Revision Bulletins and the Accelerated Revision process, see [USP's Guideline on the Use of Accelerated Processes for Revisions to USP–NF](#).
