Interim Revision Announcements published in *Pharmacopeial Forum* 39(4) [Jul.–Aug. 2013]

Monograph/Sections: Bupropion Hydrochloride Extended-Release Tablets
/Multiple Sections

Expert Committee: Monographs—Small Molecules 4

Expert Committee-initiated Change #1: Within the description of the relative response factor requirement in the test for *Organic Impurities*, the letter “B” was deleted from the reference to “*Standard solution B*” to correct the typographical error.

Expert Committee-initiated Change #2: The typographical error in the chemical name for USP Bupropion Hydrochloride Related Compound C RS within the USP Reference Standards <11> section was corrected.
