<b>Expert Committee</b>	Excipient Monograph 1

In accordance with the Rules and Procedures of the Council of Experts, the Excipient Monograph 1 Expert Committee has revised the 1,2-Distearoyl-*sn*-glycero-3-phosphocholine [monograph](#). The purpose of this revision is to replace the USP Alcohol Determination–Alcohol RS with the USP Dehydrated Alcohol RS.

The 1,2-Distearoyl-*sn*-glycero-3-phosphocholine Revision Bulletin supersedes the currently official monograph.
