

Albuterol Inhalation Solution

Type of Posting	Revision Bulletin
Posting Date	31-Jan-2025
Official Date	1-May-2026
Expert Committee	Small Molecules 5

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 5 Expert Committee has revised the Albuterol Inhalation Solution monograph. The purpose of this revision is to change the official date from May 1, 2025 to May 1, 2026.

Comments were received requesting an additional extended implementation time for the marketed Albuterol Inhalation Solution products nomenclature to be revised from “Albuterol Sulfate Inhalation Solution”. The additional 12-month implementation period is provided to facilitate adoption of the monograph and changing the name of the marketed products to “Albuterol Inhalation Solution”.

The Albuterol Inhalation Solution Revision Bulletin supersedes the monograph to be official on May 1, 2025.
