

Baclofen Injection

Type of Posting	Revision Bulletin
Posting Date	25-Jun-2021
Official Date	1-Jul-2021
Expert Committee	Small Molecules 4

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 4 Expert Committee has revised the Baclofen Injection monograph. The purpose of this revision is to widen the pH acceptance criteria from 5.5–6.8 to 5.0–7.5 to accommodate FDA-approved drug products with different limits.

The Baclofen Injection Revision Bulletin supersedes the currently official monograph.
