| <b>Expert Committee</b> | Small Molecules 4 |

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 4 Expert Committee has revised the Bupropion Hydrochloride monograph. The purpose for the revision is to replace the reference to USP Bupropion Hydrobromide RS with a correct reference to USP Bupropion Hydrochloride RS in the *System suitability solution* description within the *Assay*.

The Bupropion Hydrochloride Revision Bulletin supersedes the version of the monograph to become official on August 1, 2021.
