

Buspirone Hydrochloride Tablets

Type of Posting	Revision Bulletin
Posting Date	28-May-2021
Official Date	1-Jun-2021
Expert Committee	Small Molecules 4

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 4 Expert Committee has revised the Buspirone Hydrochloride Tablets monograph. The purpose for the revision is to modify the existing *Dissolution Test* to include the use of a suitable sinker to accommodate FDA-approved drug products with different dissolution conditions, and to add an alternate wavelength for the UV-based analytical procedure.

The Buspirone Hydrochloride Tablets Revision Bulletin supersedes the currently official monograph.
