

Calcipotriene Ointment

Type of Posting	Revision Bulletin
Posting Date	29-Apr-2022
Official Date	1-Aug-2022
Expert Committee	Small Molecules 3

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 3 Expert Committee has revised the Calcipotriene Ointment monograph. The purpose of this revision is to correct a typographical error in the test for *Organic Impurities, Table 1*, footnote *d* and in the *Acceptance criteria* for the *Limit of Propylene Glycol Ethers of Calcipotriene* test. The text incorrectly referred to “propylene glycol esters” and it has been corrected to read “propylene glycol ethers”.

The Calcipotriene Ointment Revision Bulletin supersedes the monograph becoming official on Aug 1, 2022.
