

Garcinia indica

Type of Posting	Revision Bulletin
Posting Date	22-Nov-2024
Official Date	1-Dec-2024
Expert Committee	Botanical Dietary Supplements & Herbal Medicines

In accordance with the Rules and Procedures of the Council of Experts, the Botanical Dietary Supplements & Herbal Medicines Expert Committee has revised the *Garcinia indica* monograph. The purpose of this revision is to inform the consumers using finished dosage forms prepared with this dietary ingredient to be on the alert and act immediately should they register any of the infrequent symptoms suggesting liver damage.

The *Garcinia indica* Revision Bulletin supersedes the currently official monograph.
