

Lithium Oral Solution

Type of Posting	Revision Bulletin
Posting Date	18-Jun-2024
Official Date	19-Jun-2024
Expert Committee	Small Molecules 4

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 4 Expert Committee has revised the Lithium Oral Solution monograph. The purpose of this revision is to add “Lithium Carbonate” in the *Definition* to allow flexibility and to accommodate FDA-approved drug products with different formulations.

The Lithium Oral Solution Revision Bulletin supersedes the currently official monograph.
