

Minocycline Hydrochloride Extended-Release Tablets

Type of Posting	Revision Bulletin
Posting Date	26-Apr-2024
Official Date	1-May-2024
Expert Committee	Small Molecules 1

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 1 Expert Committee has revised the Minocycline Hydrochloride Extended-Release Tablets monograph. The purpose of this revision is to revise *Dissolution Test 8* to accommodate FDA-approved drug products of different strengths that are not included in the existing *Dissolution Test 8*. Storage requirements for the *Standard solution* and *Sample solution* have been added to align with supporting data.

The Minocycline Hydrochloride Extended-Release Tablets Revision Bulletin supersedes the currently official monograph.
