

## Olanzapine Tablets

<b>Type of Posting</b>	Revision Bulletin
<b>Posting Date</b>	30-Jun-2023
<b>Official Date</b>	1-Jul-2023
<b>Expert Committee</b>	Small Molecules 4

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 4 Expert Committee has revised the Olanzapine Tablets monograph. The purpose of this revision is to widen the *Acceptance criteria* for Olanzapine open ring analog and Olanzapine acetyl open ring analog in the test for *Organic Impurities*, each from NMT 0.50% to NMT 0.5%, to accommodate FDA-approved drug products with different limits.

The Olanzapine Tablets Revision Bulletin supersedes the currently official monograph.
