Expert Committee	Small Molecules 5

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 5 Expert Committee has revised the Roflumilast monograph. The purpose of this revision is to replace “ethanol” with “dehydrated alcohol” and “hexane” with “*n*-hexane” in the test for *Limit of Roflumilast Related Compound E* and to update the corresponding reagent references.

The Roflumilast Revision Bulletin supersedes the currently official monograph.
