

Sildenafil Tablets

Type of Posting	Revision Bulletin
Posting Date	27-Dec-2024
Official Date	1-Jan-2025
Expert Committee	Small Molecules 5

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 5 Expert Committee has revised the Sildenafil Tablets monograph. The purpose of this revision is to add *Dissolution Test 2* to accommodate FDA-approved drug products with different dissolution conditions and/or tolerances than the existing dissolution test(s). *Labeling* information has been incorporated to support the inclusion of *Dissolution Test 2*. Existing references to reagents have been updated for consistency with the reagent entry.

The Sildenafil Tablets Revision Bulletin supersedes the currently official monograph.
