

Tylosin Injection

Type of Posting	Revision Bulletin
Posting Date	31-Mar-2023
Official Date	1-Apr-2023
Expert Committee	Biologics Monographs 4 - Antibiotics

In accordance with the Rules and Procedures of the Council of Experts, the Biologics Monographs 4 - Antibiotics Expert Committee has revised the Tylosin Injection monograph. The purpose of this revision is to provide additional flexibility to manufacturers by adding the word “preferably” to the *Packaging and Storage* section that currently prescribes a specific type of glass. Please see the [General Announcement](#) and [Notice of Intent to Revise](#) for more information.

Additionally, minor editorial changes have been made to update the monograph to current *USP* style. Existing references to reagents have been updated for consistency with the reagent entry.

The Tylosin Injection Revision Bulletin supersedes the currently official monograph.

Should you have any questions, please contact Julie Zhang, Team Lead and Senior Scientist II (301-816-8350 or julie.zhang@usp.org).
